Clean Lakes Paddle Challenge 2009
Saturday June 6, 2009

Be a part of the first annual Clean Lakes Paddle Challenge! Whether you're a distance or recreational paddler – this race is for you! We are all aware of the problems facing our area lakes. The decline in the lakes' water quality and infestation of invasive species over the past decades has impacted each of us. This event provides the chance to raise money to help clean up Dane County's lakes while having some fun.

Stick around after the race for the all-day festival including various on-water activities (sailboat rides, water ski clinics, free Betty Lou cruises, and more), beer tent with band on the sponsored sound stage, kids entertainment stage, and an educational venue for the Lakes and Watershed Commission.
